

# Going to Story Time

When it is time for Story Time, the librarian will open the story room doors and welcome everyone inside.

I will walk into the story room and try to sit quietly on a stool or the floor. There will be a white board with words so I can follow along. We will wiggle and stretch and sing songs. I will sing and stretch with everyone if I want. We will read two books and play a short game.

When story time is over the librarian will bring toys out to play with. I can stay for the remainder of the hour to play if I want.
